ABOUT

VQ45

LOCATION

Grimaud, Provence-Alpes-Cote-d'Azur, France

100,000 EUR price reduction!

The 2025 VQ45 Tender Custom is a beautifully engineered fusion of luxury, performance, and modern design. Built from stiff marine aluminum and finished with an Awl Grip superyacht paint system, it features deep walkaround decks, multiple lounge areas, a customizable cabin, and Twin Volvo Penta IPS650 engines delivering up to 38 knots with exceptional joystickcontrolled maneuverability. Advanced Garmin navigation, a premium Fusion audio system, a generator, and refined deck amenities create an elevated onboard experience suited perfectly for both superyacht tender duties and use as a standalone day boat .

Used for only one summer and showing very low engine hours , this VQ45 is in nearnew condition and backed by factory warranty until April 2028 . Added to its extensive list of premium features—including underwater lights, hydraulic passerelle, and solar charging—the greatest benefit may be that you avoid the long lead times required to build a new VQ45 , securing a fully optioned, lightly used 2025 model that is ready for immediate enjoyment.
