Layout & Performance

• Cruising speed approx. 34–38 knots

• Maximum speed up to 46 knots

The owner specifically chose France Helios as a cleaner alternative to IPS and traditional surface drives, with most hydraulics positioned inside the hull to reduce underwater dirt build-up.

Large aft cockpit, foredeck sunpad and full hardtop configuration make the yacht especially practical for Ibiza day use and weekend cruising. Ideal for moving between Ibiza beach clubs or comfortable cruising around the Balearics.

The current orange hull can be professionally repainted in any monochrome colour for approx. €50,000.

Condition

Private use only since new with steady maintenance. This yacht was developed as a one-off France Helios project rather than a standard IPS VQ52, with extensive sea trials and testing carried out before delivery.

Alternatives

If you are considering yachts such as Wajer 55, Wajer 38S, Otam 58, Pardo 50, Pardo GT52, Fjord 53 XL, Fjord 52 Open, Solaris Power 52 Open, Pershing 5X, VanDutch 56, Evo R6, Tesoro T50 or Magnum 50 Bestia, this VQ52 stands out due to its aluminium construction, rare full hardtop setup, France Helios surface drives and Ibiza berth arrangement.
