PRICE REDUCED! Now asking $375,000! (6/19/2026) At first look, the 72' Viking Cockpit Motor Yacht 1990 appears to be a 63' Viking with a cockpit addition.

Looking more closely, one finds the Viking flagship of the era with higher end finishes, an improved layout, a spectacular flybridge and of course all the benefits a cockpit offers cruising warmer climates. Reported by Viking to be the only 70/72 with the raised FRP bulwarks. Besides the improved profile look, it makes it safer for children, pets and line handling on the bow.

Prospective clients are highly encouraged to view a 70' Hatteras MY or CMY before viewing LUCKY STARS . The standout features of LUCKY STARS will be evident! Amazing master suite, huge flybridge and the cockpit/hydraulic platform are standout features.

Purchased 20 years ago, LUCKY STARS has served as the owner's winter home with most use in the Bahamas.

Recent updates include new generators, soft goods, headliners, LED lights and much more!
