The only pre-owned Vision 444 currently available!

“JUBILEE” is a superior example of the fantastic Vision 444, innovative performance cruising catamaran with superb fit & finish. Winner of the Cruising World Magazine Boat of the Year award, the Vision 444 is a stand-out of modern multihull design and construction laid out for Bluewater long-term cruising.

This Vision 444 strikes the ideal balance between sailing performance and live aboard comfort. All sails can be easily handled by one person from the safety on the helm, making it possible to confidently sail shorthanded. With her 3 cabin / 3 head Owners Version layout with dedicated workshop, and well thought out maintenance access, Jubilee is the perfect world voyaging platform for a couple or family.

As hull #8 off the Vision 444 production line, JUBILEE benefited from all the modifications and tweaks that were incorporated into the design after the earlier hulls had spent some time on the water. She has been sailed from South Africa in Autumn 2022 to the Caribbean with her owners who have spared no expense in upgrades and keeping her in pristine condition. She is in gorgeous, arguably better than new condition, totally dialed in, and ready for a world voyage.

The Vision 444 is a true bluewater catamaran, built for those who want to sail further and explore more, without compromising on comfort.
