2024 Wajer 38 S – Volvo IPS 650 – Premium Dutch-Built Luxury Dayboat

This 2024 Wajer 38 S is an exceptional example of one of the most desirable luxury dayboats on the market, combining Dutch craftsmanship, striking modern styling and effortless performance. Powered by twin Volvo Penta IPS 650 diesel engines, she delivers a superb blend of speed, efficiency and easy handling, with joystick control making docking and close-quarters maneuvering remarkably simple.

At just over 38ft, the Wajer 38 S offers the perfect balance of open-air performance and refined comfort. Her sleek profile, deep-V hull and beautifully finished deck layout make her equally suited as a high-end dayboat, Bahamas getaway boat or premium superyacht tender. With a top speed of around 48 knots and a comfortable 28-knot cruise, she is fast, capable and built for serious enjoyment on the water.

The cockpit and deck areas are designed for relaxed entertaining, with generous seating, wide walkaround decks and premium finishes throughout. The layout is practical and sociable, offering excellent storage, easy movement around the boat and the quality feel expected from Wajer. For family comfort and practicality, the Wajer 38 features a small caddy cabin with a head, making her far more versatile than other boats in her class

Volvo Penta IPS propulsion gives this boat a major advantage over conventional shaft or stern drive layouts. The twin IPS 650 diesels provide strong acceleration, excellent fuel efficiency and quiet, refined running, while joystick docking makes the boat highly manageable for owners and captains alike. With approximately 193 gallons of fuel capacity, 53 gallons of fresh water and a cruising range of around 250 nautical miles, she is ready for island hopping, coastal cruising and luxury day use.

The Wajer 38 S has become a benchmark in the luxury dayboat market for good reason. She is beautifully built, highly capable, easy to operate and unmistakably stylish. Whether used as a standalone dayboat, a South Florida and Bahamas escape boat, or as a chase boat for a larger yacht, this 2024 Wajer 38 S represents a rare opportunity to acquire a premium, late-model example with the preferred Volvo IPS 650 diesel package.
