EXCLUSIVE OFFERING

2005 86' West Bay SonShip - DAWN TREADER VII w/moorage

Her original owners are now offering DAWN TREADER VII to the market for the very first time. She's been designed and built for just a couple to handle. And as hands-on owner's and knowledgeable boaters, they worked closely with the vessels designers before and during construction to make sure that their ideas and desires were met, all the while keeping the ships integrity and performance capabilities in the forefront. This very successful joint effort has produced an extremely unique and capable vessel. Each and every living space and leisure space, exudes comfort, usability, visibility, ease of movement and also retains the coveted and legendary quality craftsmanship that the West Bay Shipyard is known for.

Further, her final design with systems installed, complement her ease of use as an owner operator vessel. In addition, there are amenities and facilities aboard for the comfort of extended family members. Total accommodations pamper nine, with three private staterooms and crew quarters.

She has cruised exclusively in NW waters. She has a maintenance captain as well as a ships yacht care professional, to oversee and manage her. Power is provided by twin 2005 Detroit MTU 12V2000 engines rated at 1500 hp each. There is just under 650 hours of total time on the main engines. Her twin 25kW generators have just under 850 hours of total time on each.

The heritage and value of the West Bay SonShip Yachts brand is renowned. And the DAWN TREADER VII build, is one of their very best efforts/examples from over the past 40 years.

Prospective buyer will have first right of refusal to maintain the current slip in Port Sidney Marina.
